LOT WITNESSING

- Watch our sampling and assaying processes in action with AASIN PMR Lot Witnessing program.
- See how our focus on accuracy and transparency combined with ISO accreditation makes a difference in the total return of your materials.

LOT INTEGRITY

- Samples are homogenous and highly representative of the bulk.
- Your material is weighed at each step of the process.
- No weight is deducted for moisture picked up during sampling.

REPRESENTATIVE SAMPLES

- Each lot is evaluated individually to determine best-fit sample preparation and provide superior accuracy compared to one-size-fits-all methods.
- Your materials are prepared and sampled using state-of-the-art instruments and methodology.

CONTINUOUS INVESTMENT

- We are continually investing in our assets and people to optimize processes and improve quality control.

AASIN PMR
